YOUNG PLAYERS READY FOR MINOR HOCKEY NIGHT

Culmination of the winter's sports program for about 250 young players will take place at the Centennial Arena this Friday evening (March 13) on the occasion of Drayton Valley's second Annual Minor Hockey Night.

Members of the Drayton Valley Athletic Association, responsible for the Minor Hockey program in the community, are shown in these two photos. Top, left to right, Hill Innis, Charlie Davies, Barry Richer, Russ Simpson, Tom Hutton and Nagel Oakes. Lower photo, left to right, Clayton Rosenberger, Paul Bradley, Eileen Kobernick, Orest Haydey, Mike Gormley and Al Baker.

Throughout the winter (from November to April) the more than 250 young players have been engaged in regular league games in the community and out-of-town. They are guided in their efforts by a group of dedicated coaches and managers. The entire hockey operation is organized by the Athletic Association working closely with the Recreation Board and Recreation Director.

Minor Hockey Night is the one occasion during the winter when the young players look to the possibility of playing before a capacity audience. It is also the last opportunity for those adults who haven't given the game much attention, to attend for a first-hand view of the scope of minor sport in the Community.

A full program of hockey has been lined up for the evening that gets under way at 6:30 p.m. with all players on the ice.

Five Mite games of ten minutes each will occupy the period between 6:50 and 7:40. Hi-West vs Swanee's; A.M. Plumbing vs J & A; Flint vs Hi-West; Swanee's vs A.M. Plumbing; and Flint vs J & A.

Two twenty minute Pee Wee games are scheduled between 7:50 and 8:30 with Elks meeting Lions and Rotary going against Tomahawk Rockets.

Intermission, between 8:30 and 9:00 p.m., will feature a figure skating performance by the Drayton Valley Figure Skating Club.

After intermission Bantam teams will meet in two twenty minute games between 9:00 and 9:50. The Hotel Leprechauns will meet Bambees Apollos followed by a game between L.B. Tigers and Tomahawk Totems.

Between 10:00 and 11:00 All-Star Challengers vs Warburg and at 11:15 the Juvenile Clippers will meet the Devon Mustangs.

Make plans now to attend. You'll enjoy the evening's hockey program and the youngsters involved will enjoy playing before a big crowd.

Ratepayers Meetings For County, Town

Annual ratepayers meetings for the town of Drayton Valley and the County of Parkland are scheduled for this community during March.

Town ratepayers will meet in the Council Chambers of the Town Hall at 8:00 p.m. on Monday, March 16th.

Parkland residents will hear details of the first year's operation of the new county at the annual meeting to be held at 10:00 a.m on Saturday, March 21st in the Frank Maddock High School Auditorium.

The electors of town and villages and of rural school districts included in the county for school purposes are entitled to attend to participate in the discussion of school affairs. School matters will be the first item on the agenda, following immediately after election of a chairman of the meeting at 10:00 a.m.

4-H Public Speaking At Tomahawk Hall

Eight 4-H clubs will be participating in the public speaking semi-finals in the Tomahawk Hall at 8:00 p.m. on Friday, March 20th.

Tomahawk 4-H Beef Club is hosting the program that is sponsored by the Community Club. Everyone is invited to attend.

There are over 700 tornadoes annually in this country—not counting the big winds encountered at conventions.

Performance Here By Edmonton Symphony Group

A 45-member group from the Edmonton Symphony Orchestra will perform in Drayton Valley on Thursday, March 19th at the Frank Maddock High School Auditorium.

The visit by the group is part of a tour under sponsorship of the Department of the Provincial Secretary that will include Jasper and Edson along with Drayton Valley in the western part of the province.

Morning and afternoon programs will be presented free for school students with the cost to be underwritten by the County of Parkland.

For the evening performance, admission will be Adults $1.50 and Students 75¢.

Town Enjoys Good Building Year

Drayton Valley experienced a marked upsurge in development during 1969.

BUILDING PERMIT VALUES

CLASSIFICATION	1967	1968	1969
Residential	299,245	332,630	720,436
Commercial	104,245	276,300	255,800
Industrial	64,500	32,700	144,850
Institutional	418,000	50,000	38,050
TOTALS	885,990	691,630	1,159,136

To add to the rosy picture, more than 96% of this development was what is called "live assessment", in other words can be added to the Tax Rolls for tax levy purposes. Indications seem to portend another good year in 1970.

Leprechauns Advance Along Play-off Trail

BY MIKE GORMLEY

The Drayton Valley Hotel Leprechauns continued along the Provincial Playdown trail last weekend by virtue of two victories over the Jasper Bears in Pee-Wee hockey competition. The Leprechauns defeated the Bears 6-3 on Saturday and came back to swamp the visiting bruins 8-1 in Sunday's game. Consequently the Leprechauns won the two-game total point series by a 14-4 score. By winning this series the Leprechauns advance to the zone final against Fort Saskatchewan. This will also be a two-game total point series with the first game being played in Drayton Valley Saturday afternoon at 4:00 p.m. and the second game scheduled for Fort Saskatchewan at noon on Sunday, March 15th.

Last Saturday's game was a thrilling exhibition of tip top hockey from start to finish. Both the Hotel team and the visitors went all out from the opening whistle, seeking the goals which are all important in a short total point series. Drayton Valley scored first but the Bears came back and led 2-1 after the first period. The Leprechauns scored four unanswered goals in the second to take a 5-2 lead. Each team scored one in the third period.

Terry Hook led the Leprechauns with two goals while Mike Kane, Mike Koebernick, Brian Hagman and Larry Pankewicz got the singles for the White and Green. The Jasper scorers were John Hilworth, Miles Coleman and Bob Casham. There was only one penalty in the game as both those fine little teams stuck strictly to the rules and played hockey at a blistering pace throughout the entire sixty minutes.

Sunday's contest was almost a carbon copy of the previous game The local Hotel team, however, had more of an edge on their fast skating opponents and led 3-0 after one period of play. It was 5-1 for the Leprechauns after two sessions and Drayton Valley scored three times in the last ten minutes for a final score of 8-1 in favor of the little Green Team

The Leprechauns scorers were Ray Kowal with four markers and Jerry Hook, Mike Shimbashi, Jimmie Novosel and Garry Swendseid with singles. The lone marker for the Jasper team was scored late in the second period by Miles Coleman.

The Jasper team put on great pressure throughout the entire second period firing a total of fourteen shots on the Leprechaun net, however, Donnie McRae came up with one key save after another and this was the turning point in the game. McRae's goal tending was tremendous throughout both games. Shots on goal for the series were, Drayton Valley 63 and Jasper 49.

Now it is the upcoming series with Fort Saskatchewan for the Zone Championship. The Fort has a great little team who defeated Barrhead by a decisive margin to reach the final. The Leprechauns are ready for these two key games of the season so look forward to some keen and spirited hockey action at the Centennial Civic Centre Saturday afternoon and in Fort Saskatchewan Sunday noon.

World Peace Topic for Poster Contest

Youngsters in grades six, seven and eight in Drayton Valley schools have been invited to take part in a poster contest sponsored by the Drayton Valley Rotary Club.

The poster contest is a forerunner to Rotary International's World Understanding Week later in March. The students are asked to design a poster depicting the theme "World Peace, through World Understanding".

The club will award prizes for the best posters and consolations for runners-up in each grade.

Projectionist Course Planned

A projectionist course for interested members of boards, service clubs, church organizations, etc. in the Drayton-Entwistle, Wabamun area will be held on Thursday, April 9th from 6 - 10 p.m. in the Entwistle Community Hall. It is a one-night course.

A maximum of 12 can register for this course, with a limit of 2 persons participating from each community.

This course is particularly valuable if you plan to show films for your community. Films are available either free-of-charge or at a nominal fee from various sources.

For registration contact the Parkland Regional Recreation Department, box 178, Stony Plain or call 777-2211.

New Democrats Hold Organization Meeting

The Alberta New Democratic Party held an organizational meeting for the Drayton Valley Constituency at Carnwood on February 28th.

Grant Notley, Provincial Leader, was guest speaker and pointed out that while there are two parties in the Alberta Legislature, there is only one point of view. Both the Social Credit and Tory parties have a conservative philosophy, he said, whether they label themselves conservative or progressive conservative, the term Cadillac conservative applies equally to Mr. Strom and Mr. Lougheed.

Mr. Notley elaborated on three issues, power rates, auto insurance and taxation. Only the New Democratic Party can challenge the Conservative Consensus in the Alberta Political scene. he said.

A provisional executive was set up to arrange further organizational meetings. Members of the board are President, Lars Larson, Alder Flats; Secretary Treasurer Ingrid Martin, Lindale; Directors D. Robinson, Alder Flats, N. Dunn, Winfield, E. Oberg, Buck Creek, T. Barnett, Carnwood, D. Martin, Lindale, and Gaston Jouan of Tomahawk.

BURTONSVILLE NEWS

On February 21st Dick Wheadon of Whitecourt suffered a broken arm.

Dr. and Mrs. Wlat Berquist of Wabamun called at Axel and Emma Hommes's on Saturday.

Buford and Amy Walker and three boys of this area, along with Buford's elder brother Clinton of Edmonton visited their Aunt and Uncle the Homme's on Saturday evening.

Selma Walker has been visiting relations in Edmonton for the past week. Her nephew, John Draude brought her back to Burtonsville for a short visit on Tuesday. She is getting enough of the cold blustery Alberta weather and plans to return home by jet to Quesnel, B. C. very shortly.

Cecil Homme has been helping Lenard Ratkie of Spruce Grove the past few days.

Some of the folks around the neighborhood are still fighting the flu bug.

Some of the stockmen are really busy with many lambs arriving in this cold weather which has been down to 10 below zero recently.

Float Available

Again this year the Alberta Government will make available on a first come basis a colorful float for participation in fair day parades and other public processions throughout the province.

The float will draw attention to some of the services available to the public through their various government departments.

Applications for the float should be made in writing to the Alberta Government Publicity Bureau, 1618 Centennial Building, Edmonton.

Report from the Legislature

By TONY COX

Bill 35, an act to completely revise the structure of education throughout Alberta appears headed for almost certain legislative passage this session.

Two days of public hearings where 26 briefs were presented, seems to have strengthened the government's determination to enact the re-drafted School Act. Education Minister Robert Clark, at the completion of the hearing, expressed satisfaction that most complaints merely wanted clarification of various sections.

There was general agreement on the need for a more flexible approach to education administration as local school boards and teachers' locals praised newfound freedom and autonomy.

Most educationists appeared resigned to the government's proposed plebiscites on supplementary school spending requisitions although they pointed out financial cutbacks could hinder the standard of education.

Many briefs urged a one year delay in the implementation of Bill 35.

In the words of Mr. Clark "if the legislation is delayed one year or five, someone will always complain".

However, the government plans to introduce a series of amendments in about two weeks as a result of the two day hearing.

Attorney General Edgar Gerhart doesn't believe police have enough "legal muscle" to properly enforce the misuse of drugs.

His comment came less than a week after Health Minister Jim Henderson told the legislature that the government was withdrawing police powers enabling them to search suspected drug carriers or property without first obtaining a warrant.

But Mr. Gerhart is prepared to place drugs in a special category that would enable police to deal more effectively with drug traffickers. He again opposed the legalising of marijuana and discounted suggestions of better policing of schools for illegal drug use.

"To do so would be like waiting outside a bank for it to be robbed", he said.

Legislation to establish a three man pollution control authority and a 12-member alcohol and drug abuse commission has been given first reading.

Health Minister Henderson said the authority would act as a ombudsman, responsible for the over-all direction and guidance of all aspects of pollution control while the commission would attempt a greater community involvement dealing with alcohol and drug abuse.

Cablevision is unlikely in Alberta for some time. Despite urging by the Opposition, Mr. Gerhart said earlier decisions by the Supreme Court of Canada make it clear that Ottawa has the power over broadcasting.

This means that Alberta doesn't have the constitutional right to develop the cablevision system in the face of the federal ban on U.S. programming.

The Agriculture Department is changing its emphasis from efficiency and production to marketing. $140,000 has already been earmarked to find additional market outlets for Alberta agriculture products.

Tory agriculture critic Dr. Hugh Horner (Lac St. Anne) failed in his bid to adjourn the regular House business for an emergency debate of the "urgent and distressing" situation facing the western farmer.

His move was precipitated by what he claimed was the government's failure to outline its own program of involvement in acreage relief payments. Acting agriculture minister Ray Reierson has promised an announcement "in due course".

The government is soon to enact legislation making the use of helmets mandatory where operators use their power toboggans in public areas. And motorists can soon expect, through the mail a wallet-size card outlining the new driver demerit system which becomes effective April 1st.

Legislative amendments are anticipated to the Oil and Gas Conservation Act which would better regulate the control of burning of oilfield material. The changes will also tighten up on the discharge of hydrogen sulphide into the atmosphere.

EVANSBURG NEWS

Sorry about that news that I missed last week, but time seemed to have wings and the weekend was here before I knew it. First off, I would like to say I am so sorry to the Kinsmen and Kinettes for having the date wrong about the Kin Karnival dance. Somewhere between their news to me and the news in the paper the date was twisted and I feel very much to blame for it, Sorry folks.

A very successful Cub Parent nite was held recently. This took the form of inviting the Cubs' parents to see what a typical Cub Pack meeting was like. The parents were then able to see what activities the boys took part in and what they had to do to earn their various stars and badges The meeting was closed with a snack of coffee, chocolate milk and do-nuts.

Mrs. Tkachyk reports that the Arizona sun is as warm as ever as she has recently returned from a short vacation in that state.

In the recent midwinter music exams, held by the Royal Conservatory of Music, Toronto, the following students of Mrs. Elizabeth Tkachyk were successful: Grade IV - Mary Tkachyk and Yvonne Anderson, both first class honors. Good work girls and good luck with further studies.

The Evansburg High and Junior High School held a barn dance recently. The gym was decorated in a western theme and everyone had a fine time.

The Pembina District Boy Scout Council held its regular meeting recently. Many matters were discussed and dates set for Camporee and Cubaree.

The Firemen held their regular meeting at which they discussed the coming annual dinner dance. Information and tickets are available from any of the Firemen.

The Kin Kapades Karnival was held as per schedule on the first of March, and the program produced was enjoyed by all. Hope to have many more details of this event in next week's news.

Editorial Comment

Angry Society Buzzing

It's refreshing to see Canadians rise up and protest the actions of Ottawa in the White Paper uproar. Usually we sit back, either ignorantly or unconcerned, while legislators walk up one side of us and down the other.

Not so this time. M.P.s are swamped with mail and must be having second thoughts about the wisdom of Mr. Benson's creation.

Drayton Valley residents are among those in the thick of the protest. Indicative of the temper of the times are two phone calls in one day to this newspaper with the request, "How do you spell Sulatycky?"

Watch for Ice Hazards

As another winter nears its end those who find winter fun on frozen surfaces of lakes and rivers should begin thinking about possible hazards.

In early spring the thermometer often registers sudden changes in temperature and ice that was safe days ago, rapidly becomes dangerous.

Children should certainly be cautioned about the dangers of pot holes, ice over flowing streams and water-filled excavations. Areas where water has collected over the months might be covered with crusted ice and snow and could easily be the setting for a tragedy.

Let's Drop Elector's Meetings

The apparent lack of interest by ratepayers in the affairs of their municipality, as indicated by the turnout at annual meetings of Calmar and Warburg, suggests that a new look should be taken at the Municipal Government Act.

Calmar had an audience of five persons (three of whom were scheduled to give reports), while Warburg had the big total of seven. Of course the councillors and mayors were on hand, but they already report to one another on a monthly basis at their regular meetings.

Perhaps, as Calmar mayor Floyd Modin states, it is an indication that the elected officials are doing their jobs and everyone is satisfied. But, he adds, it is a little disheartening to have these same officials go to work to prepare reports and have few, if any, on the receiving end.

It is time to put rural and small urban municipalities on the same footing as their city cousins, who are not required to have annual meetings, unless the council chooses.

If a contentious issue is being debated in a municipality, a good turnout at an annual meeting is pretty well assured. But how often are most smaller centres faced with a question which sufficiently arouses the ire of the electorate to produce an overflow audience?

We fail to see why the legislature saw fit to differentiate between cities and the smaller communities. Certainly the small turnouts at Calmar and Warburg do not suggest that there is more interest in towns and villages than in the cities.

We would agree that the counties are in a somewhat different position because of the geographical situation. In an area which can cover several thousand square miles there is certain to be greater interest with a wider divergence of opinion on matters such as public works, schools, recreation and social welfare programs. The need for annual meetings is more apparent in this situation where it is more difficult for elected officials to personally discuss problems with the electorate.

Perhaps the answer for towns and villages lies in a need to change the act to "permit" the holding of such a meeting, but only following a petition from the electors themselves. Under the present setup it is frustrating to the council and pointless to spend many hours of preparation for an uninterested electorate. Councils are easily accessible at their regular meetings for the few who seem to care. If no one is concerned about the workings of their civic governments, let's put a stop to this farce of so-called ratepayers' meetings.

Mrs. Jenny MacLeod (L) is shown at the recent party in her honor. Seated beside Mrs. MacLeod are Lt. Governor Grant McEwan and Mrs. McEwan.

Party Honors Magnolia Author

The Lake Isle Community Hall was the scene of a lovely afternoon dinner party on Sunday, February 8th, 1970 to honor Mrs. Jenny MacLeod. Not only was it a seventy-fourth birthday party, but also a gathering to honor Mrs. MacLeod as the author of the story "The Open Gate" which is being published in serial form in the Western Producer.

Approximately 250 friends and relatives attended. Among them were the following very distringuished people: His Honor Lt. Governor Grant McEwan and Mrs. McEwan; Mr. Ralph Jesperson, M.L.A. for Stony Plain Constituency, Mrs. Jesperson; and Dr. Horner, M.L.A. for Lac Ste. Anne Constituency and Mrs. Horner. Before dinner, Mr. McEwan thrilled many with a hand shake and a short chat.

The head table was centred with a large bouquet of chrysanthemums, a fruit cake in the form of a book, and four white tapers. Those at the head table were the guest of honor, Mrs. Jenny MacLeod; His Honor Mr. McEwan and Mrs. McEwan; Mr. and Mrs. Jesperson; Dr. and Mrs. Horner; Messers Rudolph and Fritz Gylander; and four of Mrs. MacLeod's sons, Arthur, Walter, Gordon and Ross Campbell. Gunner, the fifth son, was unable to attend.

After dinner, the Master ofCeremonies, Gerald Ambrose, gave a talk about Mrs. MacLeod's life from girl-hood until the present. Mr. McEwan spoke next to honor Mrs. MacLeod and thrill the crowd with his easy humor. Following, Mr. Jesperson gave a lively speech. Dr. Horner gave a short talk and L. D. Travis, Lac Ste. Anne County Councillor spoke briefly. A letter of congratulations from Premier Harry Strom was read to the gathering.

Following Mr. Travis, Mr. Cecil June of Magnolia made the presentation of gifts to Mrs. MacLeod from the Magnolia Community and surrounding area. Mrs. Mary Peck of Lake Isle gave a short presentation speech and presented gifts from the Lake Isle district.

Mrs. MacLeod as the guest of honor was last to speak, and as this party was a complete surprise to her, she spoke straight from her heart rather than from written lines, as she thanked everyone for everything.

IMPORTANT NOTICE

To the residents of Drayton Valley, Entwistle-Evansburg, Wildwood, Gainford, Seba Beach and Surrounding Areas

The C.N.R. has applied to the Board of Transport for closure of the Evansburg C.N.R. Agency - THIS IS NOT IN YOUR BEST INTERESTS

Here are some of the reasons why we ask your support in signing the petitions posted at many business places in your areas to PROTEST this closure:

1. The Evansburg Agency is a profit producing agency and hence is NOT a liability to the taxpayer.
2. It provides the only passenger service, freight and information service between Edmonton and Edson. (Among other things its removal would mean that passengers would have to board and disembark in Edmonton, an extra distance round trip of well over 100 miles for many of you.)
3. Information and freight service to your area on a personal service basis (now available through the Evansburg Agency) cannot be adequately provided from a centralized depot such as Edmonton.

TOMAHAWK F.W.U.A. HOLDS MARCH MEET

The Tomahawk F.W.U.A. held its regular monthly meeting at the home of Velda Jouan on March 5th with 13 members and 2 guests present.

The F.W.U.A. is donating a trophy to the winner of the semi-final at the 4-H Public Speaking which will be held in Tomahawk later this month.

It was decided to ask Sheila Brown the Home Economist to give us a cooking demonstration this fall.

Everyone who didn't bring their dessert menu is encouraged to bring it next month as we hope to make a small cook book similar to the one we made on casseroles last year.

It is to be noted that our Bazaar in May will have, especially for the children, a fish pond.

We are planning a trip for somesometime in June. Members are urged to come up with ideas as to where we can go as this will be Roll-call for April.

What we have been doing this past winter was a big question and the ladies brought many lovely items.

A total of $3.00 was realized from our birthday raffle.

Our April meeting will be held April 2nd at the home of Lina Zaniewicz.

A lovely lunch was served by the hostess, Velda Jouan and her co-hostess, Dora Millenbacher.

A Happy Easter is wished to all the residents of Tomahawk and District.

Local Association Plans Annual Banquet

A general meeting of the Local Association was held in the Scout Hall, Thursday afternoon, March 5th. After the reading of the minutes of previous meeting and the treasurers report was given, the main item of business on the agenda, the annual Mother and Daughter Banquet was brought forward for discussion. After listening to a report on the various prices, it was decided by those present that the banquet should be catered to this year, rather than following the practice of past years in which mothers were responsible for bringing various items of food. Information regarding the banquet will be sent out shortly, to all concerned.

It was noted that the annual conference of the Alberta Council, Girl Guides of Canada, will be held in Edmonton April 30 - May 2nd. It was agreed to pay expenses for two delegates to attend the conference.

A request was passed on from Guide Captain Mrs. Hammerlindl for parents to encourage their daughters to attend Guide Camp in the summer. There were many special camps taking place this year, the Diamond Jubilee of the Scout movement, but no Guides from Drayton Valley were eligible for an Inter provincial Camp. To be eligible, a girl must have spent at least two weeks at a Guide camp in her own province, as well as having past her First Class tests, and be 14 years old.

A report on the Local Association's cook-book project showed that the cook-books were selling well. There are still some available, and those who have not yet purchased one may do so by sending $1.50 with their daughter to her next meeting or by contacting Mrs. Machan at 542-3856.

While presenting a resume of the Local Association's activities to date, President Mrs. Machan was very pleased to inform the group that no less than four of the leaders had attained their appointment warrants. Before receiving this further badge of authority, the Brown Owl, Captain or Leiutenant is required to satisfy the Commissioner that she is conversant with the Guider Handbook, the Brownie or Guide Handbook and the current edition of Policy, Organization and Rules of the Girl Guides of Canada; has an understanding of the educational value of the programme and its relation to the other aspects of Guiding; and must agree to participate in the leadership development plan for adults in Guiding. This all takes considerable time, in addition to the time spent with their Guide and Brownie groups, and we are indeed fortunate to have such a dedicated group of leaders for our girls. The Local Association purchased warrant pins and these were presented at the respective meetings, to Mrs. Janishewski, Brown Owl, 2nd Drayton Valley Brownie Pack, Mrs. Telford, Brown Owl, 3rd, Drayton Valley Brownie Pack, Mrs. Hammerlindl, Captain, 1st Drayton Valley Guide Company, and Mrs. Tyler, Lieutenant 1st Drayton Valley Guide Company.

Club Prepares For Competition

The regular meeting of the Tomahawk 4-H Beef Club was held on February 10th at Brydges home. The co-hosts were Ditchuks. Twenty-three members were present. Roll call was, "the amount my calf eats daily".

It was decided that the club participate in the curling and bowling to be held in Drayton Valley on February 22nd. The club also decided to go to the Rodeo in Edmonton.

Public Speaking practise will be held every Tuesday night until the next meeting. The semi-finals will be held on March 20th in the Tomahawk Hall.

Reports were given by Pauline Dunbar, "Girl Guides"; Brenda Zander, "Wine"; Lawrence Watson, "George Washington"; and Allan Jouan, "Superstition". These are the topics they are using for public speaking.

A quiz was then held - it included material from the project books.

The meeting was adjourned and a delicious lunch served.

Clare Drake Returning For Summer School

Though it's a little early to talk about summer hockey schools young players of the area will be glad to know that Mr. Clare Drake is returning to Drayton Valley this summer to conduct a hockey school from August 24th to 31st.

The school is expected to be patterned along the lines of the first such endeavor held in this community last summer. Further details will be available within the next couple of weeks.

Alder Flats Banquet Honors Guides, Brownies

On March 2nd at 6:30 p.m. the Annual Guide-Brownie and Cub Banquet was held in the Alder Flats Community Hall. This year it was a combined banquet including mothers and daughers, fathers and sons.

Mr. Norman Moore was master of ceremonies for the occassion.

District Commissioner Mrs. Shirley Shanks introduced the guest speaker, Father Floyd from Lacombe and the leaders; Brown Owl, Mrs. Brenda Grant; Tawny Owl, Mrs. Marie Pye; Captain, Mrs. Joyce Hayduk; Lieutenant, Mrs. May Wachter; Cub Master, Mr. O. Schaurite and Mr. R. Hare, Mrs. A. Schaurite and Mrs. D. Peterson. Mrs. Shanks presented Mrs. Grant with her warrent pin and Mrs. Hayduk with her campers licence.

The toast to the Queen was given by Karen Gnyp, to the Founders by Debbie Wennerstrom, the Mothers by Barbara Hare and to the Fathers by Ricky Hammond.

Mrs. Marie Pye thanked the kitchen help and presented them with a small token of appreciation.

The entertainment consisted of the Brownies singing two songs, the Cubs gave their Pack poem and the Guides did a short skit on "Guides to the Rescue" and closed with the singing of four folk songs.

Mr. R. M. Dykes of Wetaskiwin was unable to attend, much to the disappointment of all.

BUCK CREEK NEWS

In the Ladies Bonspiel held two weeks ago the rink skipped by Donna Safronovich, lead Fay Brown, second Joyce Stec and third Bernice Thirsk won first in the first event.

First in the second event was won by the rink skipped by Peggy Lindholm of Great Plains Housing.

First in the third event was won by the Jean Shepherd rink of Buck Creek.

The rink skipped by Donna Safronovich won the trophy in the Ladies Round Robin.

Buster MacDonald, Ken McCulloch, and Bud Hughes are taking night school in view of up grading themselves in aircraft maintainence and overhaul, writing maintanence and engineering papers in the fall and spring. They have finished the first phase and are all doing well in their training.

There will be a Bingo on April 9th by the Community Club. This will be a Cash Bingo with a $50.00 jackpot to be won on the first 48 numbers called.

The Community Club will be sponsoring a Social and Dance on April 3rd.

There will be a Teen dance on March 20th. The Teen Club would like to thank Mrs. Sieben and Danny for chaperoning their last dance.

At the next Community Club meeting there will be an open discussion on the moving of the Curling Rink. The meeting will be held on April 1st.

Mrs. John Roos is home after being a patient in the hospital for the last few months.

Congratulations to Mr. and Mrs. Lance Lee who were married last Saturday in Drayton Valley. Here for the wedding were Mr. Louis Regenwetter of Thompson, Manitoba, Mr. and Mrs. Kiland of Saskatoon, Saskatchewan, grandparents of the bride.

The Curling Club and residents of Buck Creek would like to thank J and A Trucking for the help they have donated in men and trucks in the preparations of the curling ice this year. It is greatly appreciated.

LODGEPOLE NEWS

Two rinks represented Lodgepole Junior High School at Wildwood's festival. Games were very close. All the players were treated royally and came home with consolation prizes. One rink was skipped by Bruce Schmidt with Doug Bolianatz, Keith Kyle and Debbie Attwood. The other rink was skipped by Wendy Fagervold with Donna Stone, Cheryl Hamilton and Neil McGregor.

Miss Debbie Rehn was the school's popular choice in the contest for Queen. She earned second place in a close race. Debbie was charmingly attired in a gown of Turquoise Velvet in a princess style.

A Teen Town dance and Slave Auction is to be held on March 14th at the Community Centre. The auction is to take place at 11:00 a.m. Parents have a chance to buy a slave for a day. This is the opportune time to have those windows shined and the car washed and the yard cleaned and whatever other odd jobs that come to mind.

Any spare energy can be used at the Teen dance which will be held from 8:00 to 12:00 p.m. Parents are needed as chaperons for the Teen Town dances. Three are required and the young people deserve your interest and support.

Mr. and Mrs. Wm. Broderson accompanied their daughter bride-elect Gloria and Misses Lorna and Loretta Waters on a weekend shopping trip to the city. Miss Broderson and Jim Skahol of Salve Lake plan on being married in the near future.

Carnwood 4-H Group Meets

A regular meeting of the Carnwood 4-H Cloth Cutters Club was held recently with five members present.

Among items discussed was the 4-H curling at Warburg on March 14th; a bake sale at Carnwood and Lindale Stores on March 28th; and a discussion on attending the rodeo in Edmonton without reaching a decision.

Speeches were given by first year members with Missee Lachance speaking on drugs; Karen Nixon, crime; Nancy Bijou, life; and Linda Stephenson, pollution. The speeches lasted 1 1/2 to 2 minutes with Nancy Bijou receiving the highest points.

Balance of the meeting was spent working on projects and lunch was served after adjournment. The next meeting will be held March 21st at Mrs. Gillespie's home.

International Night Held By Guides

For their meeting on February 22nd the Guides each took a different country and dressed some of the girls in the native costume of the country and some girls dressed as Girl Guides.

The Canary Patrol took the country of Germany. For entertainment they told about the uniform of the German Guides and showed pictures of Germany. They dressed a large doll in the costume worn by the people of Germany. While they were serving their Mothers a sauerkraut casserole and coffee they played a German record.

The Red Rose Patrol took the country of India. They described the country of India. Several of the girls wore saris and one of the girls modelled the uniform of the Indian Girl Guide. These girls served their mothers chicken soup, rice, tea, and assorted raw fruits.

The Pansy Patrol chose France. For their part of the program they described life in France and one of the girls wore the uniform of the French Guide. The Pansy's served their Mothers Raupy Pie, a very unusual dish of chicken and finely ground potato.

The Buttercup Patrol described the land of Italy. One of the girls wore the usual dress of the Italian woman. The girls went to a great deal of effort to make their refreshments truly Italian. Fruit juice was served in wine glasses, the main course consisted of pizza, spagetti and meatballs, olives and bread sticks.

The Campfire took the form of a play based on the history of guiding in Canada and a sing song Mrs. Machan presented the leaders, Mrs. Hammerlindl and Mrs. Tyler with their new warrant pins.

BERRYMOOR NEWS

Dianne and Dennis Haight spent the weekend of March 1st at the home of their parents, Mr. and Mrs. Ira Haight.

The February meeting of the Berrymoor Three B's Club was held at the home of Mrs. Helene Widemen on February 28th. It was a real pleasure to have Mrs. Opal Ward and Mrs. Hattie Barrett in attendance. Since these two ladies are no longer residents of our community we don't often have the pleasure of their presence at meetings.

A number of items were discussed and members are reminded of the used clothing depot located at the Berrymoor post-office and also of the hamper that is being raffled and will be drawn for on March 21st.

Miss Hilda Van Ember was home from her job in Edmonton during the weekend of March 1st.

The Berrymoor Cemetary Company held a meeting at the home of Mr. and Mrs. Jack Thatcher on the evening of March 2nd. Despite a poor attendance plans were made to organize a work party for Saturday, March 14th, for the purpose of getting out posts for the cemetary fence. Sincere thanks to those who have given financial aid to this cause.

We are happy to be able to report that little Patti Bowen is at home again after undergoing surgery in an Edmonton hospital. Best wishes for a speedy recovery Patti.

Mrs. Francis Bezludny of Lindale has been visiting at Vancouver with a cousin that she has not seen for 42 years. While at the Coast she has also visited with her grand-daughter.

The annual meeting of the Lindale Hall Association was held at the hall on the afternoon of March 7th.

The Breton High School boys basketball team are to be congratulated for winning the tournament that was held at Drayton Valley on Saturday, March 7th. Congratulations also to Fred Martin of the Breton team who won a personal trophy for his play during this tournament.

Mr. and Mrs. Donald Martin were Sunday visitors at the home of Mrs. Norma Malin and family of Buck Creek.

Get well wishes are extended to all the "flu" victims in our Community and we understand that there are quite a few of them.

A talent night sponsored by the Lindale 4-H Swine Club was held at the Lindale School on March 7th. Sincere congratulations to the winners who were; first, Mickey Horsmen; second, Rodney Skipton and Darrell Harder; third, Doreen Robb and fourth, Lynne Martin and Sadie Maxwell.

A vote of thanks is due to the 4-H Club who make the effort to stage this annual talent night, the proceeds of which go to aid crippled children.

Challengers Win First Play-off Game

The Drayton Valley Bantam All Stars met Wabamun in the first game of the Hi-Way 16 semi-final play offs and came off with a 8-3 victory.

The game started out very even with both teams scoring twice in the first period. The Challengers came on strong in the second and third period to outscore the visitors 2-1 in the second period and 4-0 in the third period to fashion the 8-3 victory.

Cameron Selin was the only Challenger to turn the goal light on twice. A well balanced attack by the team showed with six other other players scoring, Ken Fournier, Darcy Galvon, Lindsay Machan, Ron Bartek, Mark Hutton, Dean Samis each adding single goals.

The Bantam goal-tenders, Russell Redlinger and Ben Coppens, came up with many good saves as they faced a total of 39 shots on goal in the fast moving game. The Wabamun goalie faced a total of 43 shots, 19 in the final period.

The following are statistics from the 30 games that the Burrows Motors Bantam All Stars have played so far this season.

In the Hi-Way 16 League the Challengers goal tenders; Bert Duperron, Russell Redlinger, and Ben Coppens; held their opponents to 26 goals for a league leading 2.60 goal average per game. In the entire 30 games these boys have allowed 97 goals for a 3.23 goal average.

On the offensive side of the score sheet in the Hi-Way 16 League the All Stars scored 73 goals in ten games for a 7.30 goal average per game. In the 30 games played so far the team has scored a total of 103 goals for a 6.43 goal average.

In individual scoring in the Hi-Way 16 League, Mark Hutton came out on top with 21 goals and 6 assists for 27 points to nip Dale Fisher of Stony Plain by one point. Three other Challengers finished in the top ten scorers in the League. Ron Bartek with 11 goals and 10 assists for 21 points; tied for third, Xavier Coppens with 6 goals and 14 assists for 20 points was fourth and Bruce Hutton was tied for seventh with 6 goals and 9 assists for 15 points.

THE WESTERN REVIEW

Drayton Valley, Alberta

March 11, 1970

D. V. Highlights

By Mrs. Edith Deby

This month two very important meetings will be held in Drayton Valley. On March 16th the Annual meeting for the town will be held in the Council Chambers commencing at 8:00 p.m. A large attendance of electors will show the councillors that we all appreciate their efforts on our behalf for the past year.

The second equally important meeting will be held in the Frank Maddock High School on Saturday, March 21st beginning at 10:00 in the forenoon. Affairs of the County will be discussed at this time. All residents of towns, villages and rural areas within the County are vitally concerned regarding school matters and now is the time to hear what our trustees and councillors have to say.

We are sorry to hear that Mrs. Anne Look has been on the sick list.

Otto Guze is home from hospital. His doctor has decreed that he must have a three month rest but Otto says that he feels fine and that three months is really going to drag.

Last week's whist winners at Dunington Hall were: High, Mrs. Louise Mikulin and Mr. Louis Mattson. Low: Mrs. Brennan and Mr. Harold Smithinsky.

From her home at Abbotsford Mrs. Cull writes of green grass and spring flowers. She wishes to be remembered to all her Drayton Valley friends.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending March 7, 1970 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This Week (est.)	4100	2830	1270	2600	65
Last Week	5791	3443	2348	3570	316
Same Week (1969)	5759	4533	1226	1675	225

SUMMARY

Much colder temperatures with drifting snow conditions contributed to the light run of cattle and calves on offer this week. There were 43% of the cattle sold for slaughter while replacement cattle and calves comprised approximately 67% of the total sales. Trading was active throughout the week with cows meeting the strongest demand.

Slaughter Cattle & Calves:

There was a 14% increase in the number of slaughter steers sold while the proportion of heifer and cow sales was almost equal to those of last week. Steers and heifers opened at prices a full 50¢ higher with clean choice handyweight steers selling to 31.35. Cows were scarce and sold a full 50¢ higher by mid week, with good conditioned cows selling to 23. Bulls and veal calves steady.

Replacement Cattle & Calves:

The decrease in the numbers on offer resulted in all classes meeting a strong and active demand. Prices on steers fully steady to strong on heavier feeder steers. Prices on other classes fully steady. The bulk of the stock calves were heavier weights which sold steady to last weeks close.

Shipments:

Last weeks shipments off the Edmonton Public Stockyards: Out of province - East 50 feeders. West 198 slaughter. Export 31. To Southern Alberta feed lots 1089 cattle and calves.

KEEPHILLS NEWS

On February 28th boys from St. John's School in Selkirk, Manitoba and St. John's at Genesee stopped at the Keephills school grounds for a 15 minute break in a 34 mile snowshoe hike.

The brief stop at Keephills was for refreshments at 5:45 p.m. with eight miles still to go to reach the school at Genesee.

At the time of the Keephills break the Alberta team had a 28 minute lead over the Manitoba group, who found the hilly terrain in this area considerably different than what they are accustomed to in their home province.

On February 28th Victor Lauder was married. His bride is from the Westlock area. They will live in the Woodland area and we are glad to welcome them to the area.

Eillen, (Mrs. W. Lauder Jr.) fell and broke her leg one day last week in Edmonton.

Mrs. Selma Walker is visiting relations in Edmonton for a week before returning to Quesnel, B. C.

LOOKING FOR A BARGAIN?

In today's economy, just about every consumer is constantly looking for a bargain. And there's no better consumer bargain on the market today than membership in the Consumers' Association of Canada.

This is a group of consumers who have united to provide a strong and reliable voice for consumers, to enable them to improve the living standard. This organization studies consumer problems, recommends solutions and then presents these views to governments, producers, trade and industry for appropriate action.

The Edmonton Branch of the Consumers Association of Canada has 850 members, all working hard to become better informed about consumer problems and solutions. This group meets each month to hear prominent speakers on a wide variety of topics that are of interest to all consumers.

The Consumers' Association of Canada also publish, six times a year, an informative magazine called the "Canadian Consumer," is only $3.00, and we suggest that this is the best "bargain" in town today. As a consumer, YOU should be a member.

4-H Clubs Meet At Evansburg

The February meeting of the Lobstick Beef Club and the Pembina Fields Crops Club was held on February 5th at the Evansburg High School. The meeting was called to order by club president Dawn Brown.

The minutes of the January 9th meeting were read by club secretary, Sharon Udchkitz, and the business arising from the minutes was discussed.

On January 16th the club members were to have a skating party, but most of the club members were not able to attend because of the cold weather. It was decided to hold another skating party on February 27th.

The clubs will be participating in the Curling and Bowling Bonspiel to be held at Drayton Valley on February 22nd.

It was suggested that the club members have a tobogganing party on Sunday, February 15th.

A talk was given by Ted Bruner on how to train and judge a calf. The first year beef members, we hope have benefitted by this talk.

A report was then given by the club treasurer, Fred Hutchinson. This was summed up and the up-to-date balance was given.

Before you say you're for or agains White Paper, read these

If the Government White Paper on tax reform becomes law, you will pay as much as 60% more income tax than you would in the Unite will be double the rate in the United States. You'll find it extremely difficult to start your own business, retireoutside Canada, or bu

These are some of the consequences of the White Paper. Are you happy with them? If not, read the facts in this article and make yo

The Government White Paper on taxation is an ominous document. As it moves rapidly towards legislation, only public protest and outcry from concerned Canadians can stop it.

This article is presented by such a group of concerned Canadians. They come from many walks of life. They are opposed, not so much from personal points of view (many of them would pay less tax under the White Paper), but because of what it holds for Canada and all Canadians.

No Canadian can quarrel with the White Paper's efforts to lower the tax burden for people at the low end of the income scale—or with a tax at a reduced rate on realized capital gains—or with enforcing laws to eliminate tax avoidance schemes and expense account abuses.

But the White Paper goes far beyond these sensible limits. It is a complete tax reform that promises to kill incentives to work and save, increase the brain drain to the more attractive tax climate in the United States, lead to the withdrawal of capital from Canada and slow down the development of our natural resources.

Every Canadian will find that the White Paper has something to say to him personally:

Do you earn less than $9,000 a year?

If you are a married taxpayer whose wife does not work and if you earn and continue to earn in the future $9,000 a year or less, the White Paper will bring you long-overdue tax relief. For example, if you are married with two children your tax will drop by $96 if your income is $6,000 or by as much as $127 if you earn $4,000. This assumes that you do not realize taxable gains on the sale of your house or assets.
HOWEVER, if you are single, or if your wife earns more than $1,500 your tax will be increased if your income is $4,000 or more. If your wife earns $4,000 or more, her tax will be increased too.

Do you earn more than $9,000 a year?

Your taxes will go up, and you will also pay tax on capital gains on the sale of your house and other assets.

Will you be able to resist the attractive tax climate in the United States?

Mr. Benson says, **"Canada needs the full effort of those with outstanding ability"**, yet his White Paper seems to offer more incentive for emigration than effort.

The table as shown in the next column is a comparison of Canadian Federal and Provincial tax payable by a resident of Ontario with the taxes payable by the average U.S. homeowner with the same income. No province imposes a lower tax than Ontario. The comparison includes New York State income tax (the highest in U.S.) and the State of Ohio (one of the lowest).

These figures have been prepared by an international firm of Chartered Accountants, on the basis of the recently enacted changes in U.S. tax law.

Married Home Owner with Two Dependent Children

Gross Income	Ontario Resident Taxes	State of Ohio Resident Tax	State of Ohio Resident % lower than Cdn. Tax	State of New York Resident Tax	State of New York Resident % lower than Cdn. Tax
$ 8,000	$ 1,044	$ 416	60%	$ 473	55%
10,000	1,658	690	58%	800	52%
12,000	2,327	1,007	57%	1,181	49%
15,000	3,370	1,486	56%	1,772	47%
20,000	5,262	2,480	53%	3,002	43%
25,000	7,434	3,488	53%	4,274	43%
40,000	14,711	8,039	45%	9,819	33%
50,000	19,631	11,636	41%	13,948	29%

If you move to the United States, your income tax will be lower by as much as 60%. This favourable tax position has been achieved in the United States in spite of the incredibly expensive war in Vietnam and sending men to the moon.

The brain drain has long been a problem in Canada. The White Paper promises to make it a bigger problem. Our tax system must be competitive—particularly with the United States—if we are to keep our talented people at home.

What will you be worth on "V" Day?

The White Paper proposes a capital gains tax. This means that money you receive from all sources inside and outside of Canada will be included in your income and taxable at your full personal or corporate rate. A deduction will be available for capital losses but not in all circumstances.

On "V" Day—Valuation Day—you will be expected to calculate the current market value of all your assets worth more than $500. This includes cars, houses, stocks, cottages, boats, antiques, paintings, stamp collections and so on. The market value on Valuation Day will be the basis for all future capital gain taxes.

Do you have a boat, cottage, antique chair or house that you might sell someday?

All profit that you make from Valuation Day to the date of sale must be added to your income and is taxable.

Example: Assume you have a house that is worth $20,000 on Valuation Day. Two years later you sell it for $30,000. After deducting the $1,000 a year allowed for appreciation and $150.00 a year for improvements, you are left with a capital gain of $7,700 which is taxable. These deductions can easily be eaten up by inflation. If you're in a 40% tax bracket, you'll pay $3,080 in tax; if you're in a 50% tax bracket, you'll pay $3,800 in tax.

However, if you should sell it for less than $20,000 your loss is not deductible from income.

Are you trying to build your savings by investing in the stock market?

Your profits after Valuation Day will be taxable. In fact, even if you buy shares in widely held Canadian companies and don't sell them, you'll still pay tax. Mr. Benson's White Paper proposes to tax by revaluing shares every five years. So if your investments double in five year pay tax on that profit—even if you haven't sold them.

Do you think about leaving Canada for bus health or retirement reasons?

Mr. Benson doesn't want you to leave Canada. So he troduced a "departure tax". This means that if yo Canada, all your assets (house, car, investments e treated as if you had sold them to make money. Yo tax at full rates on the increase in value over V Day..

Do you dream of going into business f yourself someday?

Canada has always prided itself on being a land o tunity for men with ideas and enthusiasm. These m usually started small businesses, and with the help incentives, they have blossomed into many of ou companies. They have contributed a great deal to th try's prosperity.

The White Paper will change all that.

The White Paper will make it difficult for the sm nessman to survive, and doubly difficult for him to and grow. It may well discourage many bright you ple with ideas from setting out on their own. Or dri out of the country.

Example: Right now the small businessman in Ca entitled to a low tax rate of 21% to 23% (dependin Province) on his first $35,000 of taxable income. Th him the all-important cash to put back into his b This cash is what keeps him afloat, and later helps grow. Under the White Paper the company will pa 50% on all taxable income or it will be taxed perso his hands. He will have to put out additional thou dollars in cash for taxes, money he sorely needs jus vive in the early years.

If you're a student in law or medicine, w ever be able to set up your own practi

The first two years are the toughest for any prof man on his own. The experts say you should be carry yourself for at least one year without cash from your practice.

That's why, under the present tax system, you pay cash basis—on what money comes in. Under th Paper, you will pay on an accrual basis—on acco ceivable, and time billed, and work in process billed.

It makes little difference to the Government in an money collected over a period of years. But it poses hurdle for the young doctor, lawyer, dentist, acc engineer or veterinarian starting out on his own.

What Canada might be like after a few years of White Paper taxation?

- There will be a slow but sure decline in the number of small businesses.
- There will be a sharp drop in risk-taking by Canadians.
- The brain drain of talented young Canadians to other countries will grow. They will move to countries like the United States that offer greater incentives for hard work and bright ideas.
- Foreign investment in Canada will slow down because of the unfriendly tax climate.
- Capital will be withdrawn from Canada as people with modest wealth leave this country to retire elsewhere because of our Estate Tax and Capital Gains Tax Systems.
- The cost of money will rise as capital is removed from Canada and the remaining capital is diverted from debt to equity situations.
- The new tax system will prevent the build-up of private capital in the hands of individuals. Ultimately all economic power and capital will be transferred to an all-powerful Government.

Regular Care Ensures Good Dental Health

March 7 to 14 is dental health week -- a special week in the year to promote a greater awareness of the importance of good dental health.

PREVENTING DENTAL DECAY

Dental decay is the commonest of man's diseases and one of the easiest to prevent. The control of dental disease begins at home, not in the dental office.

The effective methods of preventing dental disease are familiar to most people. The practice of the following procedures routinely should assure you good dental health.

-- eating good food.
-- brushing teeth regularly
-- having early and regular dental examinations and care.
-- using fluoride in its various preparations.

EATING GOOD FOOD

Foods containing calcium, phosphorus, protein, vitamin C and D are needed to build strong teeth. Following Canada's Food Guide will assure you a well-balanced diet.

The consumption of excess sweet sticky foods will increase the rate at which decay occurs. Foods containing sugar should be avoided as between meal snacks. These foods promote the growth of large populations of bacteria which produce an acid that dissolves tooth enamel.

BRUSHING TEETH REGULARLY

A child should see a dentist by three years of age and should continue regular examinations about every six months. Your dentist is then able to determine problems before they become serious. It is not dental treatment that is expensive, it is dental neglect.

USE OF FLUORIDE

Fluoride is a chemical compound that strengthens the enamel of the teeth and consequently helps reduce the decay rate. Fluoride occurs naturally in many foods and in many water supplies. Optimum benefits are received when it is used in correct amounts in its other convenient forms.

1. The fluoridation of community water supplies is the most effective method of preventing tooth decay. This makes fluoride intake automatic. Where water is not fluoridated, fluoride drops and tablets can be used as substitutes.

2. The application of a fluoride solution to the teeth by a dentist or dental hygienist is very effective if followed by a thorough cleaning and polishing.

3. The use of a fluoride containing toothpaste.

Skaters Prepare School, Carnival Plans

Miss Paula Venn and Karen Maynes were in attendance at a general figure skating meeting held recently. Ladies from the Stony Plain Figure Skating Club were also present.

Arrangements were made to work on costumes for the carnival. Ladies helping in the dressing rooms during the carnival were asked to come for the dress rehearsal in order to acquaint themselves with the costumes.

Miss Maynes and Miss Venn agreed to teach at the summer skating school this summer. It was moved and carried that we purchase a scribe to be used at the discretion of the professionals at the summer skating school.

It was moved and carried that we host the sub-sectional competitions in the fall. The winners from this competition will go on to compete in the Provincial Competitions.

It was moved and carried that teal blue with white trim be adopted as colors for club sweaters. These sweaters will be available to club members in the near future.

It was reported that Mrs. Doreen Ellery was the winner of the draw at the Bake Sale held recently.

Under the Toadstool

February 2nd Brownies were reminded about the scrapbook contest and urged to keep their scrapbooks up. Golden Bar Brownies were tested for skipping. Golden Hand worked on preparing a parcel for mailing.

February 9th Brownies practised marching for the Baden-Powell service, to be held on Sunday, February 15th. They were also told the story of the starting of Brownies from the Brownie Handbook. The World Friendship Fund was explained by Brown Owl. Badge sheets were distributed to each Brownie. They were asked to review them with their parents, who could help them decide which badges they could achieve. These badge sheets must be returned to Brown Owl at our final meeting in June. Golden Bar Brownies were tested for sewing two types of buttons on material. Golden Hand were tested on how to use the stove in the home and necessary safety precautions when using it.

February 16th we held our Thinking Day celebrations by having a birthday cake under the Toadstool. The cake was baked and beautifully decorated by Mrs. May Urchyshyn. The Baden-Powell story was told to the Brownies. Each Brownie was given a cup cake with a flag in the centre. These flags were from the different countries who belong to the World Association of Girl Guides and Girl Scouts. Each Brownie was asked to write a short summary on the country on their flags.

February 23rd R.C.M.P. Constable Rannaoja visited us and talked to us on the local regulations regarding bicycles and safety rules to follow while playing in and around playgrounds. I believe we all learned what we were doing wrong and will remember to ride and play in safety, both to others and ourselves. Brown Owl will advise us when the town will be holding the next Pedal Pushers Club.

On Sunday, February 15th, Brown Owl, Tawny Owl and some of the Brownies attended the Baden-Powell Service at the Drayton Valley Theatre. The service, which was conducted by Rev. G. Ingram and Rev. Father Lynch, was very meaningful to us

Lifeguard Employed

Recreation Director, Mike Gormley announced this week that Neil Samis has been hired as a Senior Lifeguard at the Drayton Valley Swimming Pool for the 1970 summer season. Full time duties in this position will start around July 1st.

Neil has worked at the local pool for several seasons, first serving as a member of the Junior Leaders Corps and last year as a Junior Lifeguard. He is also a member of the Neptune Swim Team.

Two more fully qualified Senior Lifeguards will be hired in the immediate future to complete the swimming pool staff. Linda McMorris has already been appointed as Pool Supervisor for the coming season.

The pool should open around May 24th, if preparatory work goes on as scheduled.

Funeral Service At Magnolia

Many relatives and friends attended the funeral of Mrs. E. Webber on the afternoon of Thursday, February 13th, in the Magnolia Hall.

Mrs. Webber had been a member of the Magnolia community since 1937. Six years ago, she left to live with her children. She was predeceased by her husband in 1958.

All of Mrs. Webber's children and most of the grandchildren were present.

Too Much Rejected Seed Sown

Nearly one-quarter of the seed planted in Alberta falls into the rejected category.

However, it was revealed in a comprehensive seed drill survey conducted in the spring of '68 that farmers are using better seed than they were 15 years ago.

In the survey conducted by the Alberta Department of Agriculture, District Agriculturists and agricultural fieldmen in 38 districts collected nearly 3000 samples of seed being used by farmers

The one pound samples later analyzed by the Federal Plant Products Division, the Alberta Department of Agriculture and private analysts indicated that wild oats continued to be the worst weed. Stinkweed, stickseed and wild and tartarian buckwheat were also common causes of seed rejection.

In the survey 59.9% of the samples qualified for No. 1 seed compared to only 33% in 1953 the last survey year. 23.7% of the samples fell into the rejected category compared to 37.5% in '53.

Data collected in the survey indicated that the 65 municipal seed cleaning plants located throughout the province have been an important factor in improving the quality of seed used by Alberta farmers. Not only do these plants do a superior job of cleaning but their location in a district appears to have made farmers more aware of the advantages of using good seed.

Local elevators do not do a satisfactory job of cleaning seed because they were not designed for this task. Their equipment is intended only for removing dockage from commercial grain.

The survey also revealed that some farmers are still reluctant to treat their seed. Over 30% of the samples had received no treatment. 57% had been treated with a mercuric dressing, 12% with other fungicides and 7% with an insecticide.

Because of the high incidence of bacteria and fungi on the seed and in the soil, it is advisable to treat seed with a recommended chemical preparation.

F.G.A. Meeting

A meeting of the executive of the Pembina Oilfield Fish and Game Association will be held at 8:15 p.m. on Thursday, March 12th in the Goliad Building.

TOMAHAWK NEWS

Mr. and Mrs. Rod MacDonald and children Randy and Connie, who have been visiting at the home of Mr. and Mrs. Robert Shepel of Tomahawk, left on Saturday, March 7th to fly back to Iran.

Notice to Tomahawk residents. Don't forget minor hockey night on March 13th at Drayton Valley. Be sure and come out to support our boys who will be playing.

The Tomahawk Curling Club held its directors meeting on Monday, March 2nd. It was decided to hold the Bean supper on Monday, March 16th, with a social evening to follow.

The Curling Club ladies are going to cater to a social evening and supper for the West Alta Livestock and Breeders Association, to be held on April 18th at Tomahawk Community Hall.

The curling club double knockout is in full swing at present and results will be announced later.

Mr. Leo Wedman from Telkwa, B. C. has been visiting at the home of Mr. and Mrs. John Wedman of Tomahawk for the past week. Since John hadn't seen his brother for twenty years they had quite a reunion. They took Leo to Wetaskiwin to see his sisters, Hilda and Millie and then on to Thorsby where he visited with another sister Hertha. All in all they had a wonderful week together.

Correction - The Public Speaking Semi-finals which were announced earlier to be held on the 21st of March should be March 20th instead. The film "Edgar Jones Show" will be held on the 21st of March. So Tomahawk residents take note.

Mr. Barry Schadeck of Tomahawk has returned home after being away for four months at The Pas, Manitoba.

Mr. and Mrs. William Fox of Edmonton who were planning to retire this summer to their farm in Tomahawk, received some bad news recently. A fire of unknown origin completely destroyed their farm home, all their antiques, furniture and unreplaceable treasures were burned. This was really a hearbreak for them and we would like to extend our sympathy to them at this time.

Mr. Wilfred Schadeck, who has been travelling around the world since February 13th, 1969, is now in Santiago, Chile. He is making plans to leave for Australia very soon. He says that everywhere he has been, the people have shown wonderful hospitality, especially in Brazil and Argentina. They have invited him to their homes and done everything in their power to make him feel welcome, which is certainly nice to know.

SUB-MITS

FROM THE ELEMENTARY SCHOOL

This week I would like to pay tribute to the unsung heroes of the teaching profession -- the substitute teachers. They are the ones, who when the phone rings at a quarter to nine in the morning, drop everything and manage to get to the school a few minutes later, ready to take on a classroom of unknown children, and an unknown plan of work for the day. Often there is no detailed plan of work and the sub then must decipher the many helpful "interpretations" of how a certain subject is to be done. She, too, must be ready to deal with the problem child, who invariably always "acts" up. She must be versatile and have enough knowledge of the curriculum to deal with every grade subject and situation.

And so to the following "Sub" teachers we appreciate your work and say thanks: Mrs. Davies, Mrs. Dusterhoft, Mrs. Hemmingway, Mrs. Landers and Mrs. Tyler.

On our injury list these past two weeks has been Mrs. Sware (grade 3). She had the misfortune of breaking her ankle in the classroom when she stepped down after hanging some pictures up. The "flu bug" has also taken its share of teachers out of circulation.

Miss Julie Madsen is one of our grade one teachers. She was born in Spirit River and attended school there. She took one year in Teacher's College in Brandon, Manitoba and returned to Edmonton for her second year of university. She has attended summer school sessions since then for three years. Miss Madsen came to Drayton Valley three years ago. She plans to attend Bible School in Camrose in the fall. She enjoys working with and being a part of the Church of God Youth Group, horseback riding, skating and teaching.

Present were Messrs. R. A. Bailey, L. N. Miller, R. Zander, R. Lent, I. Vowk, Don Gylander, J. W. Tyler and Mrs. Elizabeth Howery, School Committee members, also Superintendent of Schools, Mr. Henry Toews, Assistant Superintendent, Mr. W. G. Wilson and Assistant Secretary-Treasurer, A. W. Boychuk.

LIGHTS AT SEBA BEACH

Mr. R. Zander reported on the proposed installation of a crosswalk and lights at the Seba Beach School. He advised that the Department of Highways plans to build a crosswalk at the bridge. It would require the purchase of some land on which to build the sidewalk, The Department of Highways will undertake the construction if the County purchases the land. However, this matter has not been finalized, as yet.

SALARY NEGOTIATIONS

It was reported to the School Committee that the teachers have rejected the Conciliation Commissioner's recommendation. Mr. Nick Leskiw, bargaining agent for the teachers, expressed their desire to re-open negotiations for a 16 month agreement.

Further a letter was received from Local No. 10 of the A.T.A. advising that the following resolutions were passed at their meeting held on February 5th.

"-that we express our unhappiness with the attitude of our school committee in delaying the settlement of salary schedules for 1968-69 and 1969-70, and that we urge our school committee and county council to show their good will by making a settlement before the resignation date each year. -that we notify the school committee of our intention to withdraw our members from the working conditions committee, and that these working conditions be a subject for negotiation in the present contract."

It was moved and carried that a letter be sent to No. 10 local of the A.T.A. pointing out that the School Committee was not delaying 1968-69 or 1969-70 negotiations, has acted in good faith by accepting the recommendation of the Concilliation Commissioner and that the Committee on Working Conditions for the Committee of the teacher's at anytime.

Mr. Henry Toews reported the following staff appointments: Mrs. Gaye Kelly, Mr. Milton Mellott, September 1st, Mr. Bernd G. Ewers, Miss Mae Louise Zerebeski.

Mr. Henry Toews advised that the following staff resignations were received: Mrs. Cora A. Brox, Mrs. Margaret M. McLaughlin.

HIRING OF TEACHERS

The Superintendent advised the School Committee that he would like to go to Saskatoon for two days again to recruit teachers.

It was moved and carried that Mr. Henry Toews be authorized to travel to Saskatoon for two days for the purpose of recruiting teachers.

It was moved and carried that the School Committee provide transportation for the Jasper Place School Band to Stony Plain for an afternoon performance and that the Junior High students from Duffield and Wabamun be brought in for this performance if deemed desirable.

It was moved and carried that students, before they can be admitted to County schools, must present transfer cards, Cumulative Record and a report from the school or the agency wishing to place him.

A letter was recieved from Mrs. Lena Holgersen of the Regional Recreation Board requesting that the School Committee consider the purchase of a Ceramics Kiln at an estimated cost of $600.00 to be installed either in Seba Beach or Tomahawk.

It was moved and carried that the matter of purchasing a Ceramics Kiln be referred to the Superintendent for a study as to cost and probable location.

It was moved and carried that the School Maintenance Committee of the County be authorized to meet with the Maintenance Committee of the Principals' Association to study maintenance in various schools.

It was moved and carried that the selling of books by teachers be investigated by the Superintendent and that he report back to the next meeting.

MAGNOLIA NEWS

Orris and Dorothy McWillis attended the wedding of Virginia Webber their grand daughter, to Harry Saunter, on Saturday, February 28th at 3:30 p.m. This is the first of their grand children to be married.

Bob, Nora and Gail McCracken dined with Malcolm and Marie MacDougall of Keephills during Sunday evening, March 1st. Bob and his helpers are very busy moving buildings before spring breakup arrives.

Mrs. Jenny MacLeod and Art Campbell spent Sunday afternoon visiting at the W. Campbell home.

The annual meeting of the Magnolia Community Club is to be held on March 16th at 8:30 in the hall.

Johnny Storms and some of his friends visited with Mr. and Mrs. Ray Storms during March 1st. Mrs. Storms was one of several from this area who attended the shower held in Entwistle for Sandra Hansen.

Allen and Brenda Walker accompanied by Mr. and Mrs. C. Christiansen attended the wedding of Virginia and Harry Saunter on February 28th. I'm told Virginia looked simply lovely in her wedding gown.

Mrs. Saretsky is still in the hospital, but she is progressing favorably.

Congratulations are extended by all of us to Mr. and Mrs. S. Myslicki who celebrated their thirty-seventh wedding anniversary on February 19th.

Belated birthday greetings are sent to Mr. and Mrs. Rudolph Gylander who share February 25 for their respective birthdays. Mr. and Mrs. Gylander with their entire faimly were entertained at a birthday party held for them by Jim and Dorothy Gylander of Leduc. Mrs. Gylander tells me that their grandson Keith, and great grand daughter, Cheryle, are now ten month old and developing very well.

Orris and Dorothy McWillis report that their tiny grandson Christopher has grown enough to come home to his happy parents Ronald and Marg McWillis of Victoria.
